

Dr. Albert looks out in the ocean leading to the island

He lands on land he need to get to the island he amanges people there

This is one the guys he amanged

meanwhile cassey is on the mountain.

**SPLASH**

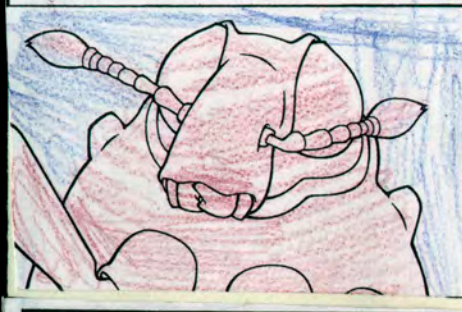

She is washing the outside of her bottles when suddenly... Ahh

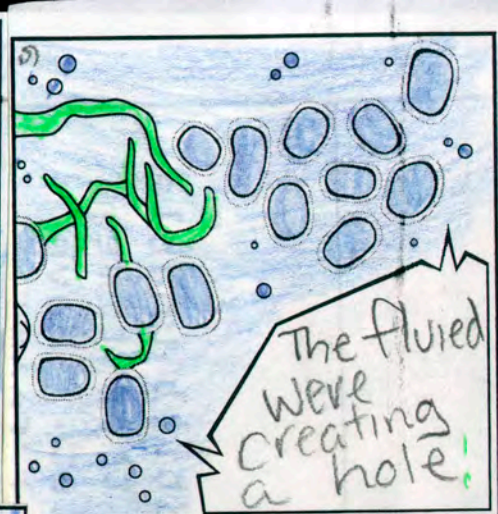

All the fluids went down the river

The fluids killed water bugs

This is one that died

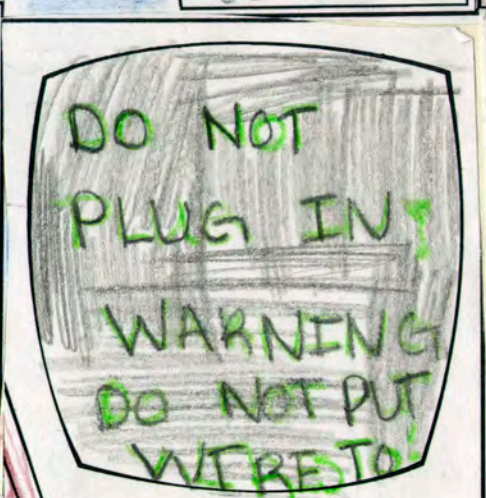

The fluids were creating a hole!

The Bird was standing by the hole

Back in the Lab...

She writes something secret

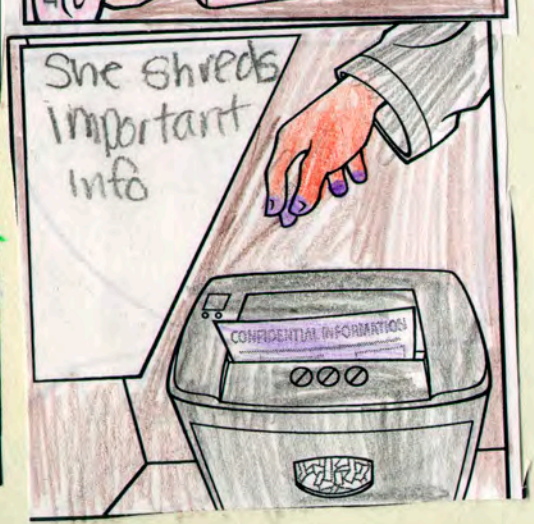

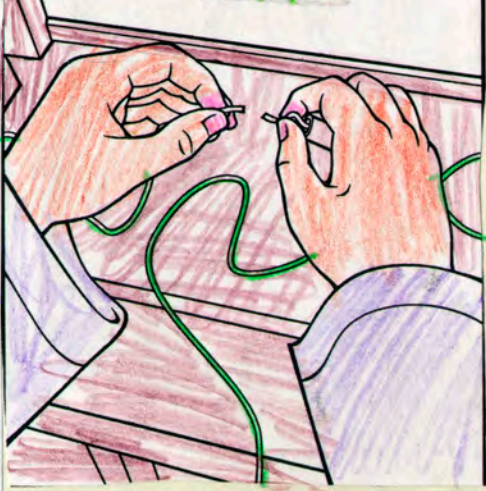

DO NOT PLUG IN! WARNING DO NOT PUT WIRE TO!

She pushes button

These will help me sink my dad Ha Ha Ha!

She shreds important info

I will give this poisoned cereal to my abd.

I will mix these up

She put the liquid in

She Squeezes the pill

Oh! Oh!

12 She feels bad and Contenures

0 NO!  
**WANNING!**
